MANAGEMENT DISCUSSION & ANALYSIS

The Management Discussion and Analysis (MDA) should be read in conjunction with the Audited Financial Statements of the Company, and the notes thereto for the year ended 31st March, 2024.

Business Overview

The Company is a Core Investment Company under Core Investment Companies (Reserve Bank) Directions, 2016 not required to get registered with RBI. Company holds investment mainly in Group companies. The performance of the investments mainly relies on the economic developments and the performance of the investee companies- its profits. The Company's revenue also primarily depends on the movements in the value of the investee companies. Investments outside the group can only be made in specified short term securities like money market instrument including money market Mutual Fund.

Operational and financial Performance

Details of Financial Results and Operations of the Company are given as under:

(Rs. In Lakhs)

Particulars	Standalone		Consolidated

Opportunities and Threats

The Company depends on the capital appreciation from the investment. Thus, better performance of the investee companies may be beneficial for the Company while on the other hand, any failure by any investee Company to earn profits or distribute dividends or provide capital appreciation can impact the revenue stream of the Company. As the Company holds major investment in Power Sector, any favourable policy of the Government in power Sector may prove boon to the Company.

Performance

Financial Parameters of the Company are provided in the Board report under the head Financial Result and Operations in details. The Company continues to carry on the business as Core Investment Company and for that purpose it plans to invest in, acquire, subscribe for and hold shares, bonds, units, stocks, securities, debentures in group Companies and/or mutual funds.

Risks and Concerns

Your Company fundamentally has been built on the principle of sound risk management practices, it has successfully weathered the market turbulence and continues to remain resilient. The Audit Committee of the Company reviews the probable risk that may affect the financial position of the Company from time to time.

Jindal Poly Investment And Finance Company Limited

Internal Control System and Their Adequacy

As per Section 134(5)(e) of the Companies Act, 2013, the Directors have an overall responsibility for ensuring that the Company has implemented a robust system and framework of internal financial controls. The Company had already developed and implemented a framework for ensuring internal controls over financial reporting.

This framework includes entity-level policies and processes such as code of conduct, confidentiality and whistle blower policy and other policies such as organisation structure, insider trading policy, HR policy, etc. During the year, controls were tested and no reportable material weakness in design and effectiveness was observed.

Discussion on financial performance with respect to operational performance and significant changes in key financial ratios

Financial performance, which has been given in the Directors' report, needs to be viewed in the above Backdrop. Details of key financial ratios as compared to the immediately previous financial year is given below:

Particulars	For the year ended 31 st March'2024	For the year ended 31 st March'2023	%Change
Interest Coverage Ratio	24.03	72.06	-66.65
Current Ratio	25.12	25.00	0.04
Debt-Equity Ratio	0.04	0.04	-
Operating Profit Margin (%)	0.99	1.00	1
Net Profit Margin	0.89	2.29	-61.1
Return on Investment	0.05	0.79	0.9
Return on Net Worth	0.05	0.81	-93.82

Explanation:

A change of over 25% in the key financial ratios occurred because the company earned exceptional income of Rs. 23,671.51 lakh in the financial year 2022-23, which led to a significant increase in profit in the previous year. However, in the financial year 2023-24, there were no exceptional gains, resulting in a decrease in total profit, consequently decreases the ratio as well.

Material developments in human resources

The company is having sufficient industry professionals to carry out its operations and follows good management practices. These are basically its human resources assets and integral to the Company's ongoing success. They have played a significant role and enabled the Company to deliver superior performance year after year. Company employs two employees to look after the business and administration of the Company. Board of Directors of the Company is also actively involved in the day-to-day functions of the Company

Cautionary Statement

This statement made in this section describes the Company's objectives, projections, expectation and estimations which may be 'forward looking statements' within the meaning of applicable securities laws and regulations. Forward- looking statements are based on certain assumptions and expectations of future events. Actual results might differ materially from those expressed or implied.

INDEPENDENT AUDITORS' REPORT

To The Members of
Jindal Poly Investment and Finance Company Limited

Report on the Audit of the Standalone Financial Statements Opinion

We have audited the accompanying standalone financial statements of **Jindal Poly Investment and Finance Company Limited ("the Company")**, which comprise the balance sheet as at March 31, 2024, and the Statement of Profit and Loss (including Other Comprehensive Income), Statement of Changes in Equity and Statement of Cash Flows for the year then ended, and notes to the standalone financial statements, including a summary of Material accounting policies and other explanatory information (hereinafter referred to as "the standalone financial statements").

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid standalone financial statements give the information required by the Companies Act, 2013 ("the Act") in the manner so required and give a true and fair view in conformity with the Indian Accounting Standards prescribed under section 133 of the Act read with the Companies (Indian Accounting Standards) Rules, 2015, as amended, ("Ind AS") and accounting principles generally accepted in India, of the state of affairs of the Company as at March 31, 2024, the Profit (financial performance including other comprehensive income), changes in equity and its cash flows for the year ended on that date.

Basis for Opinion

We conducted our audit of the standalone financial statements in accordance with the Standards on Auditing (SAs) specified under section 143(10) of the Act. Our responsibilities under those Standards are further described in the *Auditor's Responsibilities for the Audit of the Standalone financial statements* section of our report. We are independent of the Company in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India (ICAI) together with the ethical requirements that are relevant to our audit of the standalone financial statements under the provisions of the Act and the Rules made thereunder, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the ICAI's Code of Ethics. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion on the standalone financial statements.

Emphasis of Matter

We draw attention to the following matter in the Notes to the consolidated financial statements:

- a) The company holds an investment in 0% Redeemable Preference Shares of Jindal India Powertech Limited (JIPL). Based on the valuation report by an IBBI registered valuer as of March 31, 2023, the value of these preference shares has been reinstated to their face value. Consequently, the company has carried these shares at amortized cost as of March 31, 2023 and March 31, 2024. During the financial year 2023-24, a Fair Value Gain on these preference shares has been recognized, amounting to Rs. 2778.81 lakhs (Previous Year 40,250.32 Lakhs) (including exceptional items gain) and fair value has been recognised through Profit and loss account (FVTPL). (Refer Note no. 3)

Our opinion is not modified in respect of above matter.

Key Audit Matters

Key audit matters are those matters that, in our professional judgment, were of most significance in our audit of the standalone financial statements for the year ended 31 March 2024. These matters were addressed in the context of our audit of the standalone financial statements as a whole, and in forming our opinion thereon, and we do not provide a separate opinion on these matters. For each matter below, our description of how our audit addressed the matter is provided in that context.

We have determined the matter described below to be the key audit matters to be communicated in our report. We have fulfilled the responsibilities described in the auditor's responsibilities for the audit of the standalone financial statements section of our report, including in relation to these matters. Accordingly, our audit included the performance

Jindal Poly Investment And Finance Company Limited

of procedures designed to respond to our assessment of the risk of material misstatement of the standalone financial statements. The results of our audit procedures, including the procedures performed to address the matters below provide the basis for the audit opinion on the accompanying standalone financial statements.

Key audit matters	How our audit addressed the key audit matter
1) Fair Valuation of Investments in Un-quoted Securities (as described in Note 3 and Note 25 of the standalone financial statements)	
<p>As of March 31, 2024, the Company holds investments amounting to Rs. 15,770.35 lakhs in unquoted equity shares and Rs. 56,348.21 lakhs in unquoted preference shares.</p> <p>The Company's investments include unlisted equity shares, 0% redeemable preference shares, and 1% non-cumulative redeemable preference shares in group companies.</p> <p>Given the improvement in the financial performance and the positive net worth of the issuers of the redeemable preference shares and non-cumulative redeemable preference shares, management has determined that no valuation is required for impairment testing.</p>	<p>We have reviewed the unaudited financial figures of the investee entities as produced to us by the management of the company for our verification, where the Net worth/ Book value of the entities is positive as at 31/03/2024.</p> <p>However, as per Ind AS, the investment in equity in associate has been opted to present at cost and for investment in redeemable preference shares, the amortised cost method of disclosure has been opted.</p>

Information Other than the Standalone financial statements and Auditor's Report Thereon

The Company's Board of Directors is responsible for the other information. The other information comprises the information included in the Board's Report, but does not include the standalone financial statements and our auditor's report thereon.

Our opinion on the standalone financial statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the standalone financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the standalone financial statements or our knowledge obtained in the audit or otherwise appears to be materially misstated. If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact. We have nothing to report in this regard.

Responsibility of Management and Those Charged with Governance for the Standalone financial statements

The Company's Board of Directors is responsible for the matters stated in section 134(5) of the Act with respect to the preparation of these standalone financial statements that give a true and fair view of the financial position, financial performance, total comprehensive income, changes in equity and cash flows of the Company in accordance with the Ind AS and other accounting principles generally accepted in India. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding of the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the standalone financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the standalone financial statements, the Board of Directors is responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless Board of Directors either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

Jindal Poly Investment And Finance Company Limited

The company's Board of Directors are also responsible for overseeing the Company's financial reporting process.

Auditor's Responsibilities for the Audit of the Standalone financial statements

Our objectives are to obtain reasonable assurance about whether the standalone financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these standalone financial statements.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the standalone financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under section 143(3)(i) of the Act, we are also responsible for expressing our opinion on whether the Company has adequate internal financial controls with reference to standalone financial statements in place and the operating effectiveness of such controls.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the standalone financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the standalone financial statements, including the disclosures, and whether the standalone financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the standalone financial statements of the current period and are therefore the key audit matters. We describe these matters in our auditor's report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

ANNEXURE 'A' TO THE INDEPENDENT AUDITORS' REPORT OF EVEN DATE ON THE STANDALONE FINANCIAL STATEMENT OF JINDAL POLY INVESTMENT AND FINANCE COMPANY LIMITED

Report on the Internal Financial Controls under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 ("the Act")

We have audited the internal financial controls with reference to financial statements of Jindal Poly Investment and Finance Company Limited ("the Company") as of March 31, 2024 in conjunction with our audit of the standalone financial statements of the Company for the year ended on that date.

Management's Responsibility for Internal Financial Controls

The Company's management is responsible for establishing and maintaining internal financial controls based on the internal control with reference to financial statements criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India (ICAI). These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

Auditors' Responsibility

Our responsibility is to express an opinion on the Company's internal financial controls with reference to financial statements based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting (the "Guidance Note") and the Standards on Auditing, issued by ICAI and deemed to be prescribed under section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls, both applicable to an audit of Internal Financial Controls and, both issued by the Institute of Chartered Accountants of India. Those Standards and the Guidance note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls with reference to financial statements was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system with reference to financial statements and their operating effectiveness. Our audit of internal financial controls with reference to financial statements included obtaining an understanding of internal financial controls with reference to financial statements, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgement, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company's internal financial controls system with reference to financial statements.

Meaning of Internal Financial Controls with reference to financial statements

A company's internal financial control with reference to financial statements is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial control with reference to financial statements includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorisations of management and directors of the company; and (3) provide

Jindal Poly Investment And Finance Company Limited

reasonable assurance regarding prevention or timely detection of unauthorised acquisition, use, or disposition of the company's assets that could have a material effect on the financial statements.

Inherent Limitations of Internal Financial Controls with reference to financial statements

Because of the inherent limitations of internal financial controls with reference to financial statements, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls with reference to financial statements to future periods are subject to the risk that the internal financial control with reference to financial statements may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

In our opinion, the Company has, in all material respects, an adequate internal financial controls system with reference to financial statements and such internal financial controls with reference to financial statements were operating effectively as at March 31, 2024, based on "the internal control with reference to financial statements criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India.

- c) The Company is a Core investment Company (CIC) holding 90% of its assets in investments in shares or debt in group companies. In view of the interpretations of the extent regulatory framework applicable to Core Investment Companies, certificate of Registration under sub-section (2) of Section 45-IA of the Reserve Bank of India Act, 1934, is not required to be obtained from Reserve Bank of India as company has not raised any public funds.
- d) According to the information and explanations given to us, the Company does not have more than one CIC as a part of its group. Hence, the provisions stated in paragraph clause 3 (xvi)(d) of the Order are not applicable to the Company.
- xvii) Based on the overall review of standalone financial statements, the Company has not incurred any cash losses in the current financial year and in the immediately preceding financial year. Hence, the provisions stated in paragraph clause 3 (xvii) of the Order are not applicable to the Company.
- xviii) There has been no resignation of the statutory auditors during the year. Hence, the provisions stated in paragraph clause 3 (xviii) of the Order are not applicable to the Company.
- xix) According to the information and explanations given to us and on the basis of the financial ratios, ageing and expected dates of realisation of financial assets and payment of financial liabilities, other information accompanying the standalone financial statements, our knowledge of the Board of Directors and management plans and based on our examination of the evidence supporting the assumptions, nothing has come to our attention, which causes us to believe that any material uncertainty exists as on the date of the audit report that the Company is not capable of meeting its liabilities existing at the date of balance sheet as and when they fall due within a period of one year from the balance sheet date. We, however, state that this is not an assurance as to the future viability of the Company. We further state that our reporting is based on the facts up to the date of the audit report and we neither give any guarantee nor any assurance that all liabilities falling due within a period of one year from the balance sheet date, will get discharged by the Company as and when they fall due.
- xx) a) In our opinion and according to information and explanation given to us and based on the computation done by the management, as per provisions of Section 135 of Companies Act 2013, we report that the company is not required/obliged to spend amount for CSR during the year. Hence, the requirement of transfer of fund specified in Schedule VII of the companies Act 2013, in compliance with the second proviso to sub-section (5) of section 135 of the said act is not applicable to the company.
- b) In our opinion and according to information and explanation given to us and based on the computation done by the management, as per provisions of Section 135 of Companies Act 2013, the Company is not required to spend during the current year any amount on Corporate Social Responsibility. Accordingly, clauses 3(xx)(b) of the Order is not applicable.
- xxi) The reporting under clause 3 (xxi) of the order is not applicable in respect of audit of standalone financial statements. Accordingly, no comments in respect of the said clause have been included in this respect.

Jindal Poly Investment And Finance Company Limited

NOTES TO THE FINANCIAL STATEMENTS

1(A) CORPORATE INFORMATION

Jindal Poly Investment and Finance Company Limited is a company limited by shares, incorporated and domiciled in India & the equity shares of the company are listed on Indian Stock Exchanges (National Stock Exchange & Bombay Stock Exchange).

The Company is engaged in the business of investment and holding investment mainly in its group Companies.

1(B) SUMMARY OF MATERIAL ACCOUNTING POLICIES

1.1 Statement of compliance and basis for preparation and presentation of financial statements

These standalone financial statements have been prepared in accordance with the Indian Accounting Standards (hereinafter referred to as the 'Ind AS') as notified by Ministry of Corporate Affairs pursuant to Section 133 of the Companies Act, 2013 read with Rule 3 of the Companies (Indian Accounting Standards) Rules, 2015 and as amended time to time.

These standalone financial statements have been prepared on accrual and going concern basis. The accounting policies are applied consistently to all the periods presented in the financial statements.

These Financial Statements were authorised for issue by the Board of Directors on their meeting held on 28th May 2024.

Historical Cost Conventions and Fair Value

These financial statements have been prepared on a historical cost basis, except for some assets and liabilities which have been measured at fair value, as specifically disclosed.

Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date, regardless of whether that price is directly observable or estimated using another valuation technique.

Functional and presentation currency

All amounts in the standalone financial statements and notes thereon have been presented in Indian Rupees ('INR' or 'Rs.') (reporting and primarily functional currency of the company) and rounded off to the nearest Lakhs with two decimals, unless otherwise stated.

- 1.2 All assets and liabilities are classified as Financial & Non-financial as per the Company's normal operating cycle and other criteria set out in the Division III of Schedule III to the Companies Act, 2013 and Ind-AS 1 notified under the Companies (Indian Accounting Standards) Rules, 2015 and as amended from time to time. Based on the nature of products and the time between the acquisition of assets for processing and their realization in cash and cash equivalents, twelve months has been considered by the Company for the purpose of current/non-current classification of assets and liabilities. However certain liabilities such as trade payables and some accruals for employee and other operating costs are part of the working capital used in the Company's normal operating cycle, accordingly, classified as current liabilities even if they are due to be settled more than twelve months after the reporting period.

1.3 Accounting Estimates & Judgements and key sources of estimation uncertainty

Due to the nature of the Company's operations, critical accounting estimates and judgements principally relate to the:

- Tangible fixed assets (estimate useful life);
- Intangible fixed assets (estimate useful life)
- Impairment testing (if and when applicable)
- Provision inventories (obsolescence / lower net realizable value)
- Provision for doubtful debts
- Provision for employees' post-employment benefits (actuarial assumptions)

In preparing the financial statements in conformity with the accounting principles generally accepted in India, management is required to make estimates and assumptions that affect reported amounts of assets and liabilities

Jindal Poly Investment And Finance Company Limited

and the disclosure of contingent liabilities as at the date of the financial statements and the amounts of revenue and expenses during the reported period. Actual results could differ from those estimates. Any revision to such estimates is recognised in the period in which the same is determined.”

The provisions for defined benefit plans have been calculated by actuarial expert. The basic assumptions are related to the mortality, discount rate and expected developments with regards to the salaries. Management believes that the mortality tables used are general acceptable mortality tables in the countries involved. The discount rate has been determined by reference to market yields at the end of the reporting period based on the expected duration of the obligation. The future salary increases have been estimated by using the expected inflation plus an additional mark-up based on historical experience and management expectations.

1.4 Investments and other financial assets

Financial assets are initially measured on trade date at fair value, plus transaction costs. All recognised financial assets are subsequently measured in their entirety at either amortized cost or at fair value.

- a) **Classification:** The Investments and other financial assets has been classified as per Company’s business model for managing the financial assets and the contractual terms of the cash flows.
- b) **Measurement:** For assets measured at fair value, gains and losses will either be recorded in profit or loss or other comprehensive income. For investments in debt instruments, this will depend on the business model in which the investment is held. For investments in equity instruments, this will depend on whether the Company has made an irrevocable election at the time of initial recognition to account for the equity investment at fair value through other comprehensive income.

- (b.1) **Debt Instruments:** Subsequent measurement of debt instruments depends on the Company’s business model for managing the asset and the cash flow characteristics of the asset. There are three measurement categories into which the Company’s classifies its debt instruments:

Amortised Cost: Assets that are held for collection of contractual cash flows where those cash flows represent solely payments of principal and interest are measured at amortised cost. A gain or loss on a debt investment that is subsequently measured at amortised cost is recognised in profit or loss when the asset is derecognised or impaired. Interest income from these financial assets is included in profit and loss using the effective interest rate method.

Fair value through other comprehensive income (FVOCI):

Assets that are held for collection of contractual cash flows and for selling the financial assets, where the assets’ cash flows represent solely payments of principal and interest, are measured at fair value through other comprehensive income (FVOCI). Movements in the carrying amount are taken through OCI, except for the recognition of impairment gains or losses, interest revenue and foreign exchange gains and losses which are recognised in profit and loss. When the financial asset is derecognised, the cumulative gain or loss previously recognised in OCI is reclassified from equity to profit or loss and recognised in other gains/ (losses). Interest income from these financial assets is included in profit and loss using the effective interest rate method.

Fair value through profit or loss:

Assets that do not meet the criteria for amortised cost or FVOCI are measured at fair value through profit or loss. A gain or loss on a debt investment that is subsequently measured at fair value through profit or loss is recognised in profit or loss and presented net in the statement of profit and loss within other gains/(losses) in the period in which it arises.

- (b.2) **Equity instruments:** The Company subsequently measures all equity investments at FVTPL or FVTOCI. Where the Company’s management has elected to present fair value gains and losses on equity investments in other comprehensive income, there is no subsequent reclassification of fair value gains and losses to profit or loss. Dividends from such investments are recognised in profit or loss when the Company’s right to receive payments is established.
- (b.3) **Trade Receivables:** Trade receivables are amounts due from customers for goods sold in the ordinary course of business. If collection is expect to be collected within a period of 12 months or less from the reporting date, they

Jindal Poly Investment And Finance Company Limited

are classified as current assets otherwise as non-current assets.

Trade receivables are measured at their transaction price unless it contains a significant financing component. Loss allowance for expected lifetime credit loss is recognized on initial recognition.

- c) **Offsetting financial instruments:** Financial assets and liabilities are being offset and the net amount reported in the Financial Statements when there is a legally enforceable right to offset the recognised amounts and there is an intention to settle on a net basis or realise the asset and settle the liability simultaneously.

1.5 Financial Liabilities

Initial recognition and measurement: Financial liabilities are recognised when the Company becomes a party to the contractual provisions of the instrument. Financial liabilities are initially measured at the amortised cost unless at initial recognition, they are classified as fair value through profit and loss. In case of trade payables, they are initially recognised at fair value and subsequently, these liabilities are held at amortised cost, using the effective interest rate method.

Subsequent measurement: Financial liabilities are subsequently measured at amortised cost using the EIR method. Financial liabilities carried at fair value through profit or loss are measured at fair value with all changes in fair value recognised in the Statement of Profit and Loss.

Derecognition: A financial liability is derecognised when the obligation specified in the contract is discharged, cancelled or expires.

1.6 Cash and Cash Equivalents

Cash and cash equivalents comprise cash at bank and in hand, short-term deposits and highly liquid investments with an original maturity of three months or less which are readily convertible in cash and subject to insignificant risk of change in value.

For the purposes of the Statement of Cash Flow, cash and cash equivalents is as defined above, net of outstanding bank overdrafts. In the balance sheet, bank overdrafts are shown within borrowings in current liabilities.

1.7 Provisions

Provisions are recognised when the company has a present legal or constructive obligation as a result of past events, it is probable that an outflow of resources will be required to settle the obligation and the amount can be reliably estimated. These are reviewed at each balance sheet date and adjusted to reflect the current best estimates. Provisions in the nature of long term are measured at the present value of management's best estimate of the expenditure required to settle the present obligation at the end of the reporting period. The discount rate used to determine the present value is a pre-tax rate that reflects current market assessments of the time value of money and the risks specific to the liability. The increase in the provision due to the passage of time is recognised as interest expense.

1.8 Employee Benefits

(i) Short Term Employee Benefits

All employee benefits payable within twelve months of rendering the service are classified as short-term employee benefits. Benefits such as salaries, wages etc. and the expected cost of bonus, ex-gratia, incentives are recognized in the period during which the employee renders the related service.

(ii) Post-Employment Benefits

(a) Defined Contribution Plans

State Government Provident Fund Scheme is a defined contribution plan. The contribution paid/payable under the scheme is recognized in the profit & loss account during the period during which the employee renders the related service.

(b) Defined Benefit Plans

The employee Gratuity Fund Scheme managed by a trust is a defined benefit plan. The present value of obligation under such defined benefit plan is determined based on actuarial valuation under the projected unit credit method which recognizes each period of service as giving rise to additional unit

Jindal Poly Investment And Finance Company Limited

of employees benefits entitlement and measures each unit separately to build up the final obligation. The obligation is measured at the present value of future cash flows. The discount rates used for determining the present value of the obligation under defined benefit plans is based on the market yields on government securities as at balance sheet date, having maturity periods approximated to the returns of related obligations. In case of funded plans, the fair value of the planned assets is reduced from the gross obligation under the defined benefit plans to recognize the obligation on net basis.

- (c) The obligation for leave encashment is provided for and paid on yearly basis.
- (d) Remeasurement, comprising actuarial gains and losses, the effect of the changes to the asset ceiling (if applicable) and the return on plan assets (excluding interest), is reflected in the balance sheet with a charge or credit recognised in other comprehensive income in the period in which they occur. Remeasurement recognised in other comprehensive income is reflected immediately in retained earnings and will not be reclassified to the statement of profit and loss.

1.9 Revenue recognition :

a) Dividend and interest income on investments:

Dividends are recognised in Statement of profit and loss only when the right to receive payment is established, it is probable that the economic benefits associated with the dividend will flow to the Company and the amount of the dividend can be measured reliably.

Interest income from investments is recognised when it is certain that the economic benefits will flow to the Company and the amount of income can be measured reliably. Interest income is accrued on a time basis, by reference to the principal outstanding and at the effective interest rate applicable.

b) Fee and commission income :

Fee based income are recognised when they become measurable and when it is probable to expect their ultimate collection.

Commission and brokerage income earned for the services rendered are recognised as and when they are due.

c) Fair value (loss)/gain

Company has elected to present gains or losses arising from fair value adjustments of financial instruments, gains or losses on disposal of property, plant and equipment, gain or losses from disposal/redemption of investments, amortisation of deferred government grants and regular foreign currency transactions/translations as a separate line item "other gains/(losses) - net" on the face of the statement of profit and loss as permitted in para 85 of Ind AS 1.

d) Other Income

Interest income from a financial asset is recognised when it is probable that the economic benefits will flow to the Company and the amount of income can be measured reliably. Interest income is accrued on a time basis, by reference to the principal outstanding and at the effective interest rate applicable, which is the rate that exactly discounts estimated future cash receipts through the expected life of the financial asset to that asset's net carrying amount on initial recognition.

1.10 Property, Plant and Equipments (PPE)

PPE are stated at cost of acquisition (including incidental expenses), less accumulated depreciation and accumulated impairment loss, if any. Assets held for sale or disposals are stated at the lower of their net book value and net realisable value.

Advances paid towards the acquisition of PPE outstanding at each balance sheet date are disclosed separately under other non-financial assets. Capital work in progress comprises the cost of PPE that are not ready for its intended use at the reporting date.

Depreciation on PPE is provided on straight-line basis in accordance with the useful lives specified in Schedule II to the Companies Act, 2013 on a pro-rata basis.

PPE is derecognised on disposal or when no future economic benefits are expected from its use. Any gain or loss arising on derecognition of the asset (calculated as the difference between the net disposal proceeds and the

Jindal Poly Investment And Finance Company Limited

net carrying amount of the asset) is recognised in other income / netted off from any loss on disposal in the Statement of profit and loss in the year the asset is derecognised.

1.11 Intangible assets

Intangible assets are stated at cost less accumulated amortization and accumulated impairment loss, if any.

Intangible assets is amortized over the estimated useful life.

1.12 Income Taxes

The income tax expense is the tax payable on the current period's taxable income based on the applicable income tax rate adjusted by changes in deferred tax assets and liabilities attributable to temporary differences and to unused tax losses.

Current tax is the expected tax payable on the taxable income for the year, using tax rates enacted or substantially enacted at the balance sheet date, and any adjustment to tax payable in respect of previous years.

Deferred tax is provided using the balance sheet liability method, providing for temporary differences between the carrying amounts of assets and liabilities for financial reporting purposes and the amounts used for taxation purposes. The amount of deferred tax provided is based on the expected manner of realization or settlement of the carrying amount of assets and liabilities, using tax rates enacted or substantially enacted at the balance sheet date. Deferred tax assets are recognised for all deductible temporary differences and unused tax losses only if it is probable that future taxable amounts will be available to utilise those temporary differences and losses.

Current and deferred tax is recognised in profit or loss, except to the extent that it relates to items recognised in other comprehensive income or directly in equity. In this case, the tax is also recognised in other comprehensive income or directly in equity, respectively.

1.13 Earnings Per Share :

Earnings per share is calculated by dividing the net profit for the year attributable to equity shareholders by the weighted average number of equity shares outstanding during the year.

1.14 Cash Flow Statement

Cash Flows are reported using the Indirect Method, whereby profit/ (loss) before tax is adjusted for the effects of transaction of non-cash nature and deferrals or accruals of past or future cash receipts or payments. The cash flows from operating, investing and financing activities of the company are segregated based on the available information.

1.15 Contingent Liability

Contingent Liabilities, if material, are disclosed by way of notes

^ The company holds an investment in 0% Redeemable Preference Shares of Jindal India Powertech Limited (JIPL). Based on the valuation report by an IBI registered valuer as of March 31, 2023, the value of these preference shares has been reinstated to their face value. Consequently, the company has carried these shares at amortized cost as of March 31, 2023 and March 31, 2024. During the financial year 2023-24, a Fair Value Gain on these preference shares has been recognized, amounting to Rs. 2778.81 lakhs (Previous Year 40,250.32 Lakhs) (including exceptional items gain) and fair value has been recognised through Profit and loss account (FVTPL).

Pursuant to the further issue of equity shares by Material Subsidiary (Jindal India Powertech Limited) of the company to third party resulted in dilution of the company shareholding in its material subsidiary to less than fifty percent (50%) i.e. from 51.22% to 49.93%, thereby resulting cessation of control of the company over material subsidiary. Accordingly, (Jindal India Powertech Limited) has ceased to be subsidiary of the company w.e.f. 23 March 2023. As at 31.03.2023 based on the valuation report of equity shares of Jindal India Powertech Limited (JIPL) obtained from IBI registered valuer, the valuation of shares has been reinstated to cost being investment in equity shares of the subsidiary/ associate. Accordingly, during the financial year 2022-23, the company reinstated these investments at cost and had booked gain of Rs. 15770.35 Lakh through FVTOCI.

*The erstwhile wholly owned subsidiary of the Company i.e. Jindal Poly Films Investment Limited has been merged with Jindal Photo Investments Limited due to effectiveness of the scheme of amalgamation approved by Hon'ble High Court, New Delhi dated 20th December, 2016. Pursuant to which shares of Jindal Poly Films Investment Limited has been cancelled and in consideration whereof 409,860 equity shares of Jindal Photo Investments Limited has been allotted on 15th June, 2017.

Further pursuant to the scheme of Amalgamation amongst Jindal Photo Investments Limited (JPIL) and Others with and into Concatenate Advest Advisory Private Limited (CAAPL) w.e.f. 01.04.2021 (appointed date), the equity shareholders of JPIL has been allotted 1% Non Cumulative Redeemable Preference Shares (1% NCRPS) of face value Rs. 1000 each of CAAPL in lieu of their equity share holding in JPIL. The company has proportionately recognised the 3,62,134 number of 1% NCRPS of CAAPL in lieu of 4,09,860 equity shares held in JPIL. Accordingly the equity shares of JPIL has been derecognised from the investment and 1% NCRPS of CAAPL has been Recognised at cost on the date of allotment date. The company have reinstated the same at the amortised cost on the reporting date and fair value has been recognised through Profit and loss account (FVTPL). These 1% NCRPS to be redeemed within 10 Years from the date of allotment alongwith redemption premium @ 3% per annum and dividend @1% per annum on non cumulative basis

Pursuant to scheme of Arrangement between Concatenate Advest Advisory Private Limited (Demerged Company) and Concatenate Flexi Films Advest Private Limited (Resulting Company No.-1), Concatenate Imaging Advest Private Limited (Resulting Company No.-2), Concatenate Metals Advest Private Limited (Resulting Company No.-3) and Concatenate Power Advest Private Limited (Resulting Company No.4) as sanctioned by order of Hon'ble National Company Law Tribunal, Kolkata dated 22nd September, 2023, 1% NCRPS of the demerged company being held by the company gets cancelled and fresh shares of 1% NCRPS of Rs. 1000/- each has been allotted by demerged company and resulting companies (No. 1 to No. 4) in terms of the scheme of arrangement. All the 1% NCRPS has been issued on the original terms basis i.e. 1% dividend on Non cumulative basis, and 3% p.a. premium on redemption within 7 - 10 years from the date of original allotment. The company has measured these investment in 1% NCRPS at amortised cost.

The Company has investment in Unlisted Equity Shares, 0% Redeemable Preference Shares and 1% Non-cumulative Redeemable preference Shares in group companies. Considering the Improvement in the Financial performance and positive network of RPS and NCRPS issuer, the valuation of the same is not required for the impairment testing.

32.2 Fair Value Hierarchy

- (a) This section explains the judgements and estimates made in determining the fair values of the financial instruments. To provide an indication about the reliability of the inputs used in determining fair value, the Company has classified its financial instruments into the three levels prescribed under the accounting standard.

Total	-	-	2,881.91	2,881.91	-	-	2,754.82	2,754.82	

Level 1: Level 1 hierarchy includes financial instruments measured using quoted prices. This includes listed equity instruments, traded bonds and mutual funds that have quoted price. The fair value of all equity instruments which are traded in the stock exchanges is valued using the closing price as at the reporting period.

Jindal Poly Investment And Finance Company Limited

Level 2: The fair value of financial instruments that are not traded in an active market is determined using valuation techniques which maximise the use of observable market data and rely as little as possible on entity-specific estimates. If all significant inputs required to fair value an instrument are observable, the instrument is included in level 2.

Level 3: If one or more of the significant inputs is not based on observable market data, the instrument is included in level 3. This is the case for unlisted equity securities.

There are no transfers between level 1 and level 2 during the year.

(b) Valuation technique used to determine fair value

Specific valuation techniques used to value financial instruments include:- the use of quoted market prices or dealer quotes for similar instruments- the fair value of forward foreign exchange contracts is determined using forward exchange rates at the balance sheet date- the fair value of the remaining financial instruments is determined using discounted cash flow analysis.

All of the resulting fair value estimates are included in level 2 or level 3, where the fair values have been determined based on present values and the discount rates used were adjusted for counter party or own credit risk.

(c) Fair value estimation

Estimated fair value disclosures of financial instruments are made in accordance with the requirements of Ind AS 107 "Financial Instruments: Disclosure". Fair value is defined as the amount at which the instrument could be exchanged in a current transaction between knowledgeable willing parties in an arm's length transaction, other than in forced or liquidation sale. As no readily available market exists for a large part of the Company's financial instruments, judgment is necessary in arriving at fair value, based on current economic conditions and specific risks attributable to the instrument. The estimates presented herein are not necessarily indicative of the amounts the Company could realize in a market exchange from the sale of its full holdings of a particular instrument.

The following summarizes the major methods and assumptions used in estimating the fair values of financial instruments.

Trade and other receivables / payables

Receivables / payables typically have a remaining life of less than one year and receivables are adjusted for impairment losses. Therefore, the carrying amounts for these assets and liabilities are deemed to approximate their fair values, as the allowance for estimated irrecoverable amounts is considered a reasonable estimate of the discount required to reflect the impact of credit risk.

Other long term receivables

These receivables are regularly reviewed and adjusted for impairment losses. Therefore, management considers the carrying amount of these receivables to approximate fair value.

(d) Valuation process

The accounts and Finance Department of the company includes a team that performed the valuations of financial assets and liabilities required for financial reporting purposes, including level 3 fair values. This team reports directly to the chief financial officer (CFO) and the audit committee (AC). Discussions of the valuation process and the result are held between the CFO, AC and the valuation team at least once in year in line with the company's periodical reporting. The main level 3 inputs of the unlisted equity securities, contingent considerations and indemnification assets used by the Company are derived and evaluated as follows:

1. Discount rates are determined using a capital a surprising model to calculate a pre tax rate that reflects current market assessments of the time value of the money and risk specific to the assets.
2. Risk adjustments specific to the counterparties (including assumption about credit default rates) are derived from credit risk grading determined by the Company's internal credit risk management group.
3. Earnings growth factor for unlisted equity securities are estimated based on the market information for similar type of companies.

Changes in level 2 and 3 fair values are analyzed at the end of each reporting period during the quarterly valuation discussion between the CFO, AC and valuation team. As part of this discussion the team present a report that explains the reason for the fair value movements.

33 Financial risk management

(a) Risk management framework

The risk management policies of the Company are established to identify and analyse the risk faced by Company to set appropriate risk limit and controls to monitor risk and adherence to limits. Risk management policies and systems are reviewed regularly to reflect the changes in market conditions and the Company activities. The management has overall responsibility for the establishment and oversight of the Company risk management framework. In performing its operating, investing and financing activities, the Company is exposed to credit risk, liquidity risk and market risk.

(b) Credit risk

Credit risk is the risk of financial loss to the Company if a customer or counterparty to a financial instrument fails to meet its contractual obligations, and arises principally from the Company's receivables from customers and investments in financial instruments.

The carrying amount of financial assets represents the maximum credit exposure. The Company monitor credit risk very closely both in domestic and export market. The Management impact analysis shows credit risk and impact assessment as low.

Trade and other receivables

"Credit risk is the risk that a customer may default or not meet its obligations to the company on a timely basis, leading to financial losses by the Company. Credit evaluations are performed on all receivables requiring credit. The Company reviews for any required allowance for impairment that represents its expected credit losses in respect of receivables. Investments are reviewed for any fair valuation loss on periodically basis and necessary provision/fair valuation adjustments has been made based on the valuation carried by the management to the extent available sources, the management does not expect any investment counterparty to fail to meet its obligations."

(c) Liquidity Risk

Liquidity risk is the risk that the Company will encounter difficulty in meeting the obligations associated with its financial liabilities that are settled by delivering cash or another financial asset. The Company's approach to managing liquidity is to ensure, as far as possible, that it will have sufficient liquidity to meet its liabilities when they are fallen due. The Company's liquidity position is carefully monitored and managed. The Company has in place a detailed budgeting and cash forecasting process to help ensure that it has adequate cash available to meet its payment obligations.

The following table provides details of the remaining contractual maturity of the Company's financial Liabilities. It has been drawn up based on the undiscounted cash flows and the earliest date on which the Company can be required to pay. The table includes only principal cash flows.

(d) Market risk

Market risk is the risk that the fair value or future cash flows of a financial instrument will fluctuate because of changes in market prices. Market prices mainly comprise three types of risk: currency rate risk, interest rate risk and other price risks. Foreign currency risk is the risk that the fair value or future cash flows of a financial instrument will fluctuate because of changes in foreign exchange rates. Interest rate risk is the risk that the fair value or future cash flows of a financial instrument will fluctuate because of changes in market interest rates. This is based on the financial assets and financial liabilities held as at March 31, 2024 and March 31, 2023. The objective of market risk management is to manage and control market risk exposures within acceptable parameters, while optimizing the return. However, the Company has no such items regarding currency risk or interest rate risk.

Our responsibilities under those Standards are further described in the Auditor's Responsibilities for the Audit of the Consolidated Financial Statements section of our report. We are independent of the Group in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India (ICAI) together with the independence requirements that are relevant to our audit of the Consolidated Financial Statements under the provisions of the Act and the Rules made thereunder, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the ICAI's Code of Ethics. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Consolidated Financial Statements.

Emphasis of Matter

We draw attention to the following matter in the Notes to the consolidated financial statements:

- a) The Company holds an investment in 0% Redeemable Preference Shares of Jindal India Powertech Limited (JIPL). Based on the valuation report by an IBBI registered valuer as of March 31, 2023, the value of these preference shares has been reinstated to their face value. Consequently, the Company has carried these shares at amortized cost as of March 31, 2023 and March 31, 2024. During the financial year 2023-24, a Fair Value Gain on these preference shares has been recognized, amounting to Rs. 2778.81 lakhs (Previous Year 40,250.32 Lakhs) (including exceptional items gain) and fair value has been recognised through Profit and loss account (FVTPL). (Refer Note no. 3)

Jindal Poly Investment And Finance Company Limited

Our opinion is not modified in respect of above matters.

Key Audit Matters

Key Audit Matters are those matters that, in our professional judgement and based on the consideration of reports of other auditors on separate/consolidated financial statements of components audited by them, were of most significance in our audit of the consolidated financial statements of the current period. These matters were addressed in the context of the audit of the consolidated financial statements as a whole, and in forming our opinion thereon, and we do not provide a separate opinion on these matters.

Key audit matters	How our audit addressed the key audit matter
1) Fair Valuation of Investments in Un-quoted Securities (as described in Note 3 and Note 28 of the standalone financial statements)	
<p>As of March 31, 2024, the Group holds investments amounting to Rs. 2,15,481.5 lakhs in unquoted equity shares and Rs. 56,348.21 lakhs in unquoted preference shares.</p> <p>The Holding Company's investments include unlisted equity shares, 0% redeemable preference shares, and 1% non-cumulative redeemable preference shares in group companies.</p> <p>Given the improvement in the financial performance and the positive net worth of the issuers of the redeemable preference shares and non-cumulative redeemable preference shares, management has determined that no valuation is required for impairment testing.</p>	<p>We have reviewed the unaudited financial figures of the investee entities as produced to us by the management of the Holding Company for our verification, where the Net worth/Book value of the entities is positive as at 31/03/2024.</p> <p>However, as per Ind AS, the investment in equity in associate has been opted to present at the fair value after including associate's share of profit/loss for the period and for investment in redeemable preference shares, the amortised cost method of disclosure has been opted.</p>

Information Other than the Consolidated Financial Statements and Auditor's Report Thereon

The Holding Company's Board of Directors is responsible for the preparation of other information. The other information comprises the information included in the *Management Discussion and Analysis, Board's Report including Annexures to Board's Report, Business Responsibility Report, Corporate Governance and Shareholder's Information*, but does not include the Consolidated Financial Statements and our Auditor's Report thereon.

Our opinion on the consolidated financial statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the Consolidated Financial Statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the Consolidated Financial Statements or our knowledge obtained during the course of our audit or otherwise appears to be materially misstated. If, based on the work we have performed, we conclude that there is a material misstatement of this other information; we are required to report that fact. We have nothing to report in this regard.

Responsibilities of Management and Those Charged with Governance for the Consolidated Financial Statements

The Holding Company's Board of Directors is responsible for the preparation and presentation of these Consolidated Financial Statements in term of the requirements of the Companies Act, 2013 that give a true and fair view of the consolidated financial position, consolidated financial performance and consolidated cash flows of the Group in accordance with the and other accounting principles generally accepted in India. The respective Board of Directors of the companies included in the Group are responsible for maintenance of the adequate accounting records in accordance with the provisions of the Act for safeguarding the assets of the Group and for preventing and detecting frauds and

Jindal Poly Investment And Finance Company Limited

other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and the design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring accuracy and completeness of the accounting records, relevant to the preparation and presentation of the Consolidated Financial Statements that give a true and fair view and are free from material misstatement, whether due to fraud or error, which have been used for the purpose of preparation of the Consolidated Financial Statements by the Directors of the Holding Company, as aforesaid.

In preparing the Consolidated Financial Statements, the respective Board of Directors of the companies included in the Group are responsible for assessing the Group's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Group or to cease operations, or has no realistic alternative but to do so.

The respective Board of Directors of the companies included in the Group are also responsible for overseeing the financial reporting process of the Group.

Auditor's Responsibilities for the Audit of the Consolidated Financial Statements

Our objectives are to obtain reasonable assurance about whether the Consolidated Financial Statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these Consolidated Financial Statements.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We are also:

- a. Identify and assess the risks of material misstatement of the Consolidated Financial Statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- b. Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under section 143(3)(i) of the Companies Act, 2013, we are also responsible for expressing our opinion on whether the Holding Company has internal financial controls with reference to Financial Statements in place and the operating effectiveness of such controls.
- c. Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- d. Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the ability of the Group to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the Consolidated Financial Statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Group to continue as a going concern.
- e. Evaluate the overall presentation, structure and content of the Consolidated Financial Statements, including the disclosures, and whether the Consolidated Financial Statements represent the underlying transactions and events in a manner that achieves fair presentation.
- f. Obtain sufficient appropriate audit evidence regarding the financial information of the entities or business activities within the Group to express an opinion on the Consolidated Financial Statements. We are responsible

Jindal Poly Investment And Finance Company Limited

for the direction, supervision and performance of the audit of the financial statements of such entities included in the consolidated financial statements of which we are the independent auditors. For the other entities included in the Consolidated Financial Statements, which have been audited by other auditors, such other auditors remain responsible for the direction, supervision and performance of the audits carried out by them. We remain solely responsible for our audit opinion.

Materiality is the magnitude of misstatements in the consolidated financial statements that, individually or in aggregate, makes it probable that the economic decisions of a reasonably knowledgeable user of the financial statements may be influenced. We consider quantitative materiality and qualitative factors in

- (i) planning the scope of our audit work and in evaluating the results of our work; and
- (ii) to evaluate the effect of any identified misstatements in the financial statements.

We communicate with those charged with governance of the Holding Company and such other entities included in the Consolidated Financial Statements of which we are the independent auditors regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the consolidated financial statements for the financial year ended March 31, 2024 and are therefore the key audit matters. We describe these matters in our auditor's report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

Other Matters

- a. The accompanying Statement includes the audited financial result and other financial information which we did not audit, in respect of:

Other Group Companies (as mentioned above) whose consolidated financial statement includes total profit after tax of Rs. 26,357.93 Lakhs and other comprehensive income of Rs. (18.79) Lakhs for the period from 1st April 2023 to 31st March 2024, the associate share of proportionate profit/ (loss) has been accounted during the year.

The Consolidated financial results of JIPL have been audited by other auditors whose audit reports have been furnished to us by the management, and our opinion in so far as it relates to the amounts and disclosures included in respect of these Other Group Companies are based solely on the audit reports of such other auditor, and the procedure performed by us as stated in "Auditors Responsibilities". The emphasis of matter as given by its auditor have been disclosed by the management in the notes to financial results.

Our opinion is not modified in respect to the above matter i.e. matter in respect of our reliance on the work done by and the reports of the other auditors.

Our opinion on the Consolidated Financial Statements, and our report on Other Legal and Regulatory Requirements below, is not modified in respect of the above matters with respect to our reliance on the work done and the reports of the other auditors and the financial statements certified by the Management.

Report on Other Legal and Regulatory Requirements

As required by the Companies (Auditor's Report) Order, 2020 ("the Order") issued by the Central Government of India in terms of Section 143 (11) of the Act, we give in the "Annexure A" a statement on the matters specified in paragraphs 3

Jindal Poly Investment And Finance Company Limited

and 4 of the Order, to the extent applicable.

As required by Section 143(3) of the Act, based on our audit and on the consideration of reports of the other auditors on separate/consolidated financial statements of Other Group Companies as were audited by other auditors, as noted in the "Other Matters" paragraph, we report, to the extent applicable, that:

- a. We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purposes of our audit of the aforesaid Consolidated Financial Statements.
- b. In our opinion, proper books of account as required by law relating to preparation of the aforesaid Consolidated Financial Statements have been kept so far as it appears from our examination of those books and the reports of the other auditors.
- c. The Consolidated Balance Sheet, the Consolidated Statement of Profit and Loss ((including other comprehensive income), and the Consolidated Cash Flow Statement dealt with by this Report are in agreement with the relevant books of account maintained for the purpose of preparation of the Consolidated Financial Statements.
- d. In our opinion, the aforesaid Consolidated Financial Statements comply with the Indian Accounting Standards specified under Section 133 of the Act, read with Rule 7 of the Companies (Accounts) Rules, 2015, as amended.
- e. On the basis of the written representations received from the directors of the Holding Company as on 31st March, 2024 taken on record by the Board of Directors of the Holding Company and the reports of the statutory auditors of Other Group Companies, none of the directors of the Group Holding Company, is disqualified as on 31st March, 2024 from being appointed as a director in terms of Section 164(2) of the Act.
- f. With respect to the adequacy of Internal Financial Controls over financial reporting and the operating effectiveness of such controls, refer to our separate Report in "Annexure-B" based on reports of Holding Company as on 31st March, 2024 and the reports of the Statutory Auditors of the Other Group Companies incorporated in India.
- g. In our opinion and to the best of our information and according to the explanations given to us, the remuneration paid by the Holding Company to its directors during the year is in accordance with the provisions of section 197(16) of the Act as amended.
- h. With respect to the other matters to be included in the Auditor's Report in accordance with Rule 11 of the Companies (Audit and Auditor's) Rules, 2014, as amended in our opinion and to the best of our information and according to the explanations given to us:
 - (i) As informed by the management, the Consolidated Financial Statements discloses the impact of pending litigations if any on the Consolidated financial statement of the Holding Company.
 - (ii) The Group does not have any long-term contracts including derivative contracts as at March 31, 2024.
 - (iii) There were no amounts which were required to be transferred, to the Investor Education and Protection Fund by the Group.
 - (iv) (i) The management has represented that, to the best of its knowledge and belief, no funds, have been advanced or loaned or invested (either from borrowed funds or share premium or any other sources or kind of funds) by the Group incorporated in India to or in any other persons or entities, including foreign entities ("Intermediaries"), with the understanding, whether recorded in writing or otherwise, that the intermediary shall, whether, directly or indirectly lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the Holding Company ("Ultimate Beneficiaries") or provide any guarantee, security or the like on behalf of the ultimate beneficiaries;
 - (ii) The management has represented that, to the best of its knowledge and belief, other than as disclosed in the notes to accounts, no funds have been received by the Holding Company from any person(s) or entity(ies), including foreign entities ("Funding Parties"), with the understanding, whether recorded in writing or

Jindal Poly Investment And Finance Company Limited

otherwise, that the Holding Company shall, whether, directly or indirectly lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the Funding Party ("Ultimate Beneficiaries") or provide any guarantee, security or the like on behalf of the Ultimate Beneficiaries; and

- (iii) Based on such audit procedures as considered reasonable and appropriate in the circumstances, nothing has come to our notice that has caused us to believe that the representation under sub-clause(iv)(i) and (iv)(ii) contain any material misstatement.
- (v) The Company has used accounting software's for maintaining its books of account for the financial year ended March 31, 2024 which has a feature of recording audit trail (edit log) facility and the same has operated throughout the year for all relevant transactions recorded in the software. Further, during the course of our audit we did not come across any instance of audit trail feature being tampered with.

Further, Proviso to Rule 3(1) of the Companies (Accounts) Rules, 2014 for maintaining books of account using accounting software which has a feature of recording audit trail (edit log) facility is applicable to the company with effect from April 1, 2023, and accordingly, reporting under Rule 11(g) of Companies (Audit and Auditors) Rules, 2014 is not applicable for the financial year ended March 31, 2024.

ANNEXURE B TO THE AUDITORS' REPORT

Report on the Internal Financial Controls under Clause (i) of sub-section 3 of Section 143 of the Companies Act, 2013 ('the Act')

We have audited the internal financial controls over financial reporting of Jindal Poly Investment and Finance Holding Company Limited ('the Holding Company') as of 31 March 2024 in conjunction with our audit of the consolidated financial statements of the Holding Company for the year ended on that date.

Management's Responsibility for Internal Financial Controls

The Holding Company's management is responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Holding Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls over Financial Reporting issued by the Institute of Chartered Accountants of India ('ICAI'). These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to the Holding Company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

Auditors' Responsibility

Our responsibility is to express an opinion on the Holding Company's internal financial controls over financial reporting based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls over Financial Reporting ('the Guidance Note') and the Standards on Auditing, issued by ICAI and deemed to be prescribed under Section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls, both applicable to an audit of Internal Financial Controls and, both issued by the Institute of Chartered Accountants of India. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditors' judgment, including the assessment of the risks of material misstatement of the consolidated financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Holding Company's internal financial controls system over financial reporting.

Meaning of Internal Financial Controls Over Financial Reporting

A Holding Company's internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A Holding Company's internal financial control over financial reporting includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the Holding Company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the Holding Company are being made only in accordance with authorizations of the management and directors of the Holding Company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorized acquisition, use, or disposition of the Holding Company's assets that could have a material effect on the financial statements.

Jindal Poly Investment And Finance Company Limited

Inherent Limitations of Internal Financial Controls Over Financial Reporting

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

In our opinion, the Holding Company has, in all material respects, an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were operating effectively as at 31 March 2024, based on the internal control over financial reporting criteria established by the Holding Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India.

Jindal Poly Investment And Finance Company Limited

NOTES FORMING PART OF CONSOLIDATED FINANCIAL STATEMENTS

1(A) COMPANY INFORMATION

Jindal Poly Investment and Finance Company Limited is a company limited by shares, incorporated and domiciled in India & the equity shares of the company are listed on Indian Stock Exchanges (National Stock Exchange & Bombay Stock Exchange).

The Group comprising Jindal Poly Investment and Finance Company Limited (Holding Company), its associates and subsidiaries.

1(B) Principles of Consolidation

a) The Consolidated Financial Statements (CFS) relates to Jindal Poly Investment and Finance Company Limited (hereinafter referred to as the "Company") and its Subsidiaries and Associates (the Holding Company and its Subsidiaries and Associates together referred to as "the Group") comprising of the Consolidated Balance Sheet as at 31st March, 2024, the Consolidated Statement of Profit and Loss, the Consolidated Statement of Change in Equity, the Consolidated Statement of Cash Flow for the year then ended, and a summary of the material accounting policies and other explanatory information /notes (herein referred to as "the Consolidated Financial Statements"). The CFS have been prepared in accordance with Indian Accounting Standard AS 110 on "Consolidated Financial Statements" (Ind AS 110), Indian Accounting Standard 28 on "Investments in Associates and Joint Ventures" (AS 28) referred to in section 133 of the Companies Act 2013 and the relevant provisions of The Companies Act, 2013 and are prepared on the following basis:

Subsidiaries are those enterprises controlled by the Group and its subsidiaries. Control is achieved when:

- the Group has power over the investee;
- is exposed, or has rights, to variable returns from its involvement with the investee; and
- has the ability to use its power to affect its returns

The group reassesses whether or not it controls an investee, if facts and circumstances indicate that there are changes to one or more of the three elements to control listed above. The financial statements of subsidiaries are included in the consolidated financial statements from the date that control commences until the date that control ceases.

b) The Group combines the financial statements of the parent and its subsidiaries line by line adding together like items of assets, liabilities, equity, income and expenses. Intra-group transactions, balances and unrealised profits on transactions between group companies are eliminated in full. Unrealised losses are also eliminated unless the transaction provides evidence of an impairment of the transferred assets. Appropriate adjustments for deferred taxes are made for temporary differences that arise from the elimination of unrealised profits and losses from intra-group transactions or undistributed earnings of Group's entity included in consolidated statement of profit and loss, if any.

The consolidated financial statements are prepared using uniform accounting policies for like transactions and other events in similar circumstances. If a member of the Group uses accounting policies other than those adopted in the consolidated financial statements for like transactions and events in similar circumstances, appropriate adjustments are made to that group member's financial statements to ensure conformity with the group's accounting policies. The financial statements of all entities used for the purpose of consolidation are drawn up to the same reporting date as that of the parent company.

Non-controlling interest in the profit / loss and equity of the subsidiaries' are shown separately in the consolidated statement of profit and loss, consolidated statement of change in equity and consolidated balance sheet, respectively.

A change in the ownership interest of a subsidiary, without a loss of control and acquisition of non-controlling interest is accounted for as an equity transaction. This results in an adjustment between the carrying amounts of the controlling and non-controlling interests to reflect their relative interests in the subsidiary. Any difference between the amount of the adjustment to non-controlling interests and any consideration paid or received is recognised within equity.

Jindal Poly Investment And Finance Company Limited

Equity Method

Associates are entities over which the group has significant influence but not control or joint control. This is generally the case where the group holds between 20% and 50% of the voting rights. Investments in associates are accounted for using the equity method of accounting. Under the equity method of accounting, the investments are initially recognised at cost (fair value of retained interest, in case of loss of control over subsidiary, being regarded as cost on initial recognition as explained in below note (h)) and adjusted thereafter to recognise the group's share of the post-acquisition profits or losses of the investee in profit and loss, and the group's share of other comprehensive income of the investee in other comprehensive income.

c) Loss of Control over Subsidiary and retained interest in Investee Company

The Group reassesses whether or not it controls an investee, if facts and circumstances indicate that there are changes to one or more of the three elements to control listed below. Loss of Control is determined when the Group:

- has no power over the investee;
- is not exposed to, or not has rights, to variable returns from its involvement with the investee; and
- not has the ability to use its power to affect its returns.

When loss of control over subsidiary is established, the parent shall derecognises the assets (including goodwill), liabilities and non-controlling interests of the former subsidiary from the consolidated balance sheet at their carrying amounts at the date when control is lost and recognises any investment retained in the former subsidiary at its fair value when control is lost and subsequently accounts for it and for any amounts owed by or to the former subsidiary in accordance with relevant Ind ASs. That fair value shall be regarded as the fair value on initial recognition of a financial asset in accordance with Ind AS 109 or, when appropriate, the cost on initial recognition of an investment in an associate or joint venture. The parent shall recognise any resulting difference as a gain or loss in profit or loss attributable to the parent.

The Consolidated financial statements are based, in so far they relate to audited financial statements or unaudited management certified financial statements included in respect of subsidiaries/associates, which are prepared for consolidation in accordance with the requirement of Indian Accounting Standard AS 110 on "Consolidated Financial Statements" (Ind AS 110) or Indian Accounting Standard 28 on "Investments in Associates and Joint Ventures" (AS 28) referred to in section 133 of the Companies Act 2013.

Share of Non-Controlling Interest in net Consolidated assets is identified and presented in the consolidated balance sheet separate from liabilities and the equity of the company's shareholders as per applicable provisions of Indian Accounting Standards.

1(C) Statement on Material Accounting Policies

1.1 Basis of Preparation and Measurement

The Consolidated financial statements have been prepared in accordance with the Indian Accounting Standards (hereinafter referred to as the 'Ind AS') as notified by Ministry of Corporate Affairs pursuant to Section 133 of the Companies Act, 2013 read with Rule 3 of the Companies (Indian Accounting Standards) Rules, 2015 as amended from time to time.

These Consolidated financial statements have been prepared on accrual and going concern basis. The accounting policies are applied consistently to all the periods presented in the financial statements.

Historical Cost Conventions and Fair Value

These financial statements have been prepared on a historical cost basis, except for some assets and liabilities which have been measured at fair value, as specifically disclosed.

Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date, regardless of whether that price is directly observable or estimated using another valuation technique.

Jindal Poly Investment And Finance Company Limited

Reporting Presentation Currency

All amounts in the standalone financial statements and notes thereon have been presented in Indian Rupees (INR) (reporting and primarily functional currency of the company) and rounded off to the nearest Lakh with two decimals, unless otherwise stated.

- 1.2** All assets and liabilities are classified as Financial & Non-financial as per the Company's normal operating cycle and other criteria set out in the Division III of Schedule III to the Companies Act, 2013 and Ind-AS 1 notified under the Companies (Indian Accounting Standards) Rules, 2015. Based on the nature of products and the time between the acquisition of assets for processing and their realization in cash and cash equivalents, twelve months has been considered by the Company for the purpose of current/ non-current classification of assets and liabilities.

However certain liabilities such as trade payables and some accruals for employee and other operating costs are part of the working capital used in the Company's normal operating cycle, accordingly, classified as current liabilities even if they are due to be settled more than twelve months after the reporting period.

1.3 Accounting Estimates & Judgements and key sources of estimation uncertainty

Due to the nature of the Company's operations, critical accounting estimates and judgements principally relate to the:

- Tangible fixed assets (estimate useful life);
- Intangible fixed assets (estimate useful life)
- Impairment testing (if and when applicable)
- Provision inventories (obsolescence / lower net realizable value)
- Provision for doubtful debts
- Provision for employees' post-employment benefits (actuarial assumptions)

In preparing the financial statements in conformity with the accounting principles generally accepted in India, management is required to make estimates and assumptions that affect reported amounts of assets and liabilities and the disclosure of contingent liabilities as at the date of the financial statements and the amounts of revenue and expenses during the reported period. Actual results could differ from those estimates. Any revision to such estimates is recognised in the period in which the same is determined.

The provisions for defined benefit plans have been calculated by an external actuarial expert. The basic assumptions are related to the mortality, discount rate and expected developments with regards to the salaries. Management believes that the mortality tables used are general acceptable mortality tables the countries involved. The discount rate have been determined by reference to market yields at the end of the reporting period based on the expected duration of the obligation. The future salary increases have been estimated by using the expected inflation plus an additional mark-up based on historical experience and management expectations.

1.4 Investments and other financial assets

Financial assets are initially measured on trade date at fair value, plus transaction costs. All recognised financial assets are subsequently measured in their entirety at either amortized cost or at fair value.

- a) Classification:** The Investments and other financial assets has been classified as per Company's business model for managing the financial assets and the contractual terms of the cash flows.
- b) Measurement:** For assets measured at fair value, gains and losses will either be recorded in profit or loss or other comprehensive income. For investments in debt instruments, this will depend on the business model in which the investment is held. For investments in equity instruments, this will depend on whether the Company has made an irrevocable election at the time of initial recognition to account for the equity investment at fair value through other comprehensive income.

(b.1) Debt Instruments: Subsequent measurement of debt instruments depends on the Company's business model for managing the asset and the cash flow characteristics of the asset. There are three

Jindal Poly Investment And Finance Company Limited

measurement categories into which the Company's classifies its debt instruments:

Amortised Cost: Assets that are held for collection of contractual cash flows where those cash flows represent solely payments of principal and interest are measured at amortised cost. A gain or loss on a debt investment that is subsequently measured at amortised cost is recognised in profit or loss when the asset is derecognised or impaired. Interest income from these financial assets is included in profit and loss using the effective interest rate method.

Fair value through other comprehensive income (FVOCI):

Assets that are held for collection of contractual cash flows and for selling the financial assets, where the assets' cash flows represent solely payments of principal and interest, are measured at fair value through other comprehensive income (FVOCI). Movements in the carrying amount are taken through OCI, except for the recognition of impairment gains or losses, interest revenue and foreign exchange gains and losses which are recognised in profit and loss. When the financial asset is derecognised, the cumulative gain or loss previously recognised in OCI is reclassified from equity to profit or loss and recognised in other gains/ (losses). Interest income from these financial assets is included in profit and loss using the effective interest rate method.

Fair value through profit or loss:

Assets that do not meet the criteria for amortised cost or FVOCI are measured at fair value through profit or loss. A gain or loss on a debt investment that is subsequently measured at fair value through profit or loss is recognised in profit or loss and presented net in the statement of profit and loss within other gains/(losses) in the period in which it arises.

(b.2) Equity instruments: The Company subsequently measures all equity investments at FVTPL or FVTOCI. Where the Company's management has elected to present fair value gains and losses on equity investments in other comprehensive income, there is no subsequent reclassification of fair value gains and losses to profit or loss. Dividends from such investments are recognised in profit or loss when the Company's right to receive payments is established.

(b.3) Trade Receivables: Trade receivables are amounts due from customers for goods sold in the ordinary course of business. If collection is expected to be collected within a period of 12 months or less from the reporting date, they are classified as current assets otherwise as non-current assets.

Trade receivables are measured at their transaction price unless it contains a significant financing component. Loss allowance for expected lifetime credit loss is recognized on initial recognition.

c) Offsetting financial instruments: Financial assets and liabilities are being offset and the net amount reported in the Financial Statements when there is a legally enforceable right to offset the recognised amounts and there is an intention to settle on a net basis or realise the asset and settle the liability simultaneously.

1.5 Financial Liabilities

Initial recognition and measurement: Financial liabilities are recognised when the Company becomes a party to the contractual provisions of the instrument. Financial liabilities are initially measured at the amortised cost unless at initial recognition, they are classified as fair value through profit and loss. In case of trade payables, they are initially recognised at fair value and subsequently, these liabilities are held at amortised cost, using the effective interest rate method.

Subsequent measurement: Financial liabilities are subsequently measured at amortised cost using the EIR method. Financial liabilities carried at fair value through profit or loss are measured at fair value with all changes in fair value recognised in the Statement of Profit and Loss.

Derecognition: A financial liability is derecognised when the obligation specified in the contract is discharged, cancelled or expires.

Jindal Poly Investment And Finance Company Limited

1.6 Cash and Cash Equivalents

Cash and cash equivalents comprise cash at bank and in hand, short-term deposits and highly liquid investments with an original maturity of three months or less which are readily convertible in cash and subject to insignificant risk of change in value.

For the purposes of the Statement of Cash Flow, cash and cash equivalents is as defined above, net of outstanding bank overdrafts. In the balance sheet, bank overdrafts are shown within borrowings in current liabilities.

1.7 Provisions

Provisions are recognised when the company has a present legal or constructive obligation as a result of past events, it is probable that an outflow of resources will be required to settle the obligation and the amount can be reliably estimated. These are reviewed at each balance sheet date and adjusted to reflect the current best estimates. Provisions in the nature of long term are measured at the present value of management's best estimate of the expenditure required to settle the present obligation at the end of the reporting period. The discount rate used to determine the present value is a pre-tax rate that reflects current market assessments of the time value of money and the risks specific to the liability. The increase in the provision due to the passage of time is recognised as interest expense.

1.8 Employee Benefits

(i) Short Term Employee Benefits

All employee benefits payable within twelve months of rendering the service are classified as short-term employee benefits. Benefits such as salaries, wages etc. and the expected cost of bonus, ex-gratia, incentives are recognized in the period during which the employee renders the related service.

(ii) Post-Employment Benefits

(a) Defined Contribution Plans

State Government Provident Fund Scheme is a defined contribution plan. The contribution paid/payable under the scheme is recognized in the profit & loss account during the period during which the employee renders the related service.

(b) Defined Benefit Plans

The employee Gratuity Fund Scheme managed by a trust is a defined benefit plan. The present value of obligation under such defined benefit plan is determined based on actuarial valuation under the projected unit credit method which recognizes each period of service as giving rise to additional unit of employees benefits entitlement and measures each unit separately to build up the final obligation. The obligation is measured at the present value of future cash flows. The discount rates used for determining the present value of the obligation under defined benefit plans is based on the market yields on government securities as at balance sheet date, having maturity periods approximated to the returns of related obligations. In case of funded plans, the fair value of the planned assets is reduced from the gross obligation under the defined benefit plans to recognize the obligation on net basis.

(c) The obligation for leave encashment is provided for and paid on yearly basis.

(d) Remeasurement, comprising actuarial gains and losses, the effect of the changes to the asset ceiling (if applicable) and the return on plan assets (excluding interest), is reflected in the balance sheet with a charge or credit recognised in other comprehensive income in the period in which they occur. Remeasurement recognised in other comprehensive income is reflected immediately in retained earnings and will not be reclassified to the statement of profit and loss.

1.9 Revenue recognition :

a) Operating revenue

Revenue (other than for those items to which Ind AS 109 Financial Instruments are applicable) is measured at fair value of the consideration received or receivable. Ind AS 115 Revenue from contracts with customers outlines a single comprehensive model of accounting for revenue arising from contracts with customers and

Jindal Poly Investment And Finance Company Limited

supersedes current revenue recognition guidance found within Ind ASs. The Group recognises revenue from contracts with customers based on a five-step model asset out in Ind AS 115.

b) **Dividend and interest income on investments:**

Dividends are recognised in Statement of profit and loss only when the right to receive payment is established, it is probable that the economic benefits associated with the dividend will flow to the Company and the amount of the dividend can be measured reliably.

Interest income from investments is recognised when it is certain that the economic benefits will flow to the Company and the amount of income can be measured reliably. Interest income is accrued on a time basis, by reference to the principal outstanding and at the effective interest rate applicable.

c) **Fee and commission income:**

Fee based income are recognised when they become measurable and when it is probable to expect their ultimate collection.

Commission and brokerage income earned for the services rendered are recognised as and when they are due.

d) **Fair value (loss)/gain**

Company has elected to present gains or losses arising from fair value adjustments of financial instruments, gains or losses on disposal of property, plant and equipment, gain or losses from disposal/redemption of investments, amortisation of deferred government grants and regular foreign currency transactions/translations as a separate line item "other gains/(losses) - net" on the face of the statement of profit and loss as permitted in para 85 of Ind AS 1.

e) **Other Income**

Interest income from a financial asset is recognised when it is probable that the economic benefits will flow to the Company and the amount of income can be measured reliably. Interest income is accrued on a time basis, by reference to the principal outstanding and at the effective interest rate applicable, which is the rate that exactly discounts estimated future cash receipts through the expected life of the financial asset to that asset's net carrying amount on initial recognition.

1.10 Property, Plant and Equipments (PPE)

PPE are stated at cost of acquisition (including incidental expenses), less accumulated depreciation and accumulated impairment loss, if any. Assets held for sale or disposals are stated at the lower of their net book value and net realisable value.

Advances paid towards the acquisition of PPE outstanding at each balance sheet date are disclosed separately under other non-financial assets. Capital work in progress comprises the cost of PPE that are not ready for its intended use at the reporting date.

Depreciation on PPE is provided on straight-line basis in accordance with the useful lives specified in Schedule II to the Companies Act, 2013 on a pro-rata basis.

PPE is derecognised on disposal or when no future economic benefits are expected from its use. Any gain or loss arising on derecognition of the asset (calculated as the difference between the net disposal proceeds and the net carrying amount of the asset) is recognised in other income / netted off from any loss on disposal in the Statement of profit and loss in the year the asset is derecognised.

1.11 Intangible assets

Intangible assets are stated at cost less accumulated amortization and accumulated impairment loss, if any.

Intangible assets is amortized over the estimated useful life.

Jindal Poly Investment And Finance Company Limited

1.12 Income Taxes

The income tax expense is the tax payable on the current period's taxable income based on the applicable income tax rate adjusted by changes in deferred tax assets and liabilities attributable to temporary differences and to unused tax losses.

Current tax is the expected tax payable on the taxable income for the year, using tax rates enacted or substantially enacted at the balance sheet date, and any adjustment to tax payable in respect of previous years.

Deferred tax is provided using the balance sheet liability method, providing for temporary differences between the carrying amounts of assets and liabilities for financial reporting purposes and the amounts used for taxation purposes. The amount of deferred tax provided is based on the expected manner of realization or settlement of the carrying amount of assets and liabilities, using tax rates enacted or substantially enacted at the balance sheet date. Deferred tax assets are recognised for all deductible temporary differences and unused tax losses only if it is probable that future taxable amounts will be available to utilise those temporary differences and losses.

Current and deferred tax is recognised in profit or loss, except to the extent that it relates to items recognised in other comprehensive income or directly in equity. In this case, the tax is also recognised in other comprehensive income or directly in equity, respectively.

1.13 Earnings Per Share:

Basic earnings per share are calculated by dividing the net profit for the year attributable to equity shareholders by the weighted-average number of equity shares outstanding during the period. The weighted-average number of equity shares outstanding during the period and for all periods presented is adjusted for events, such as bonus issue; bonus element in a rights issue to existing shareholders; share split; and reverse share split (consolidation of shares) that have changed the number of equity shares outstanding, without a corresponding change in resources.

For the purpose of calculating diluted earnings per share, the net profit or loss for the year attributable to equity shareholders and the weighted-average number of shares outstanding during the period are adjusted for the effects of all dilutive potential equity shares.

1.14 Cash Flow Statement

The Statement of Cash Flow is reported using the indirect method, whereby the net profit before tax is adjusted for the effects of transactions of a non-cash nature, any deferrals or accruals of past or future operating cash receipts or payments and items of income or expenses associated with investing or financing cash flows. The Statement of Cash Flow from operating, investing and financing activities of the Group are segregated.

1.15 Contingent Liability

Contingent Liabilities, if material, are disclosed by way of notes

1.16 Other accounting policies are in accordance with generally accepted accounting principles

^ The company holds an investment in 0% Redeemable Preference Shares of Jindal India Powertech Limited (JIPL). Based on the valuation report by an IBBI registered valuer as of March 31, 2023, the value of these preference shares has been reinstated to their face value. Consequently, the company has carried these shares at amortized costs of March 31, 2023 and March 31, 2024. During the financial year 2023-24, a Fair Value Gain on these preference shares has been recognized, amounting to Rs. 2778.81 lakhs (Previous Year 40,250.32 Lakhs) (including exceptional items gain) and fair value has been recognised through Profit and loss account (FVTPL).

Pursuant to the further issue of equity shares by Material Subsidiary (Jindal India Powertech Limited) of the company to third party resulted in dilution of the company shareholding in its material subsidiary to less than fifty percent (50%), i.e. from 51.22% to 49.93%, thereby resulting cessation of control of the company over material subsidiary. Accordingly, (Jindal India Powertech Limited) has ceased to be subsidiary of the company w.e.f. 23 March 2023. As at 31.03.2023 based on the valuation report of equity shares of Jindal India Powertech Limited (JIPL) obtained from IBBI registered valuer, the valuation of shares has been reinstated to cost being investment in equity shares of the subsidiary/ associate. Accordingly, during the financial year 2022-23, the company reinstated these investments at cost and had booked gain of Rs. 15,770.35 Lakh through FVTOCI.

*The erstwhile wholly owned subsidiary of the Company i.e. Jindal Poly Films Investment Limited has been merged with Jindal Photo Investments Limited due to effectiveness of the scheme of amalgamation approved by Hon'ble High Court, New Delhi dated 20th December, 2016. Pursuant to which shares of Jindal Poly Films Investment Limited has been cancelled and in consideration whereof 409,860 equity shares of Jindal Photo Investments Limited has been allotted on 15th June, 2017.

Further pursuant to the scheme of Amalgamation amongst Jindal Photo Investments Limited (JPIL) and Others with and into Concatenate Advest Advisory Private Limited (CAAPL) w.e.f 01.04.2021 (appointed date), the equity shareholders of JPIL has been allotted 1% Non Cumulative Redeemable Preference Shares (1% NCRPS) of face value Rs. 1000 each of CAAPL in lieu of their equity share holding in JPIL. The company has proportionately recognised the 3,62,134 number of 1% NCRPS of CAAPL in lieu of 4,09,860 equity shares held in JPIL. Accordingly the equity shares of JPIL has been derecognised from the investment and 1% NCRPS of CAAPL has been recognised at cost on the date of allotment date. The company have instated the same at the amortised cost on the reporting date and fair value has been recognised through Profit and loss account (FVTPL). These 1% NCRPS to be redeemed within 10 Years from the date of allotment along with redemption premium @ 3% per annum and dividend @1% per annum on non cumulative basis.

Pursuant to scheme of Arrangement between Concatenate Advest Advisory Private Limited (Demerged Company) and Concatenate Flexi Films Advest Private Limited (Resulting Company No.-1) Concatenate Imaging Advest Private Limited (Resulting Company No.-2), Concatenate Metals Advest Private Limited (Resulting Company No.-3) and Concatenate Power Advest Private Limited (Resulting Company No.4) as sanctioned by order of Hon'ble National Company Law Tribunal, Kolkata dated 22nd September, 2023. 1% NCRPS of the demerged company being held by the company gets cancelled and fresh shares of 1% NCRPS of Rs. 1000/- each has been allotted by demerged company and resulting companies (No. 1 to No. 4) in terms of the scheme of arrangement. All the 1% NCRPS has been issued on the original terms basis i.e. 1% dividend on Non cumulative basis, and 3% p.a. premium on redemption within 7 - 10 years from the date of original allotment. The company has measured these investment in 1% NCRPS at a amortised cost.

The Company has investment in Unlisted Equity Shares, 0% Redeemable Preference Shares and 1% Non-cumulative Redeemable preference Shares in group companies. Considering the Improvement in the Financial performance and positive network of RPS and NCRPS issuer, the valuation of the same is not required for the impairment testing.

Level 1: Level 1 hierarchy includes financial instruments measured using quoted prices. This includes listed equity instruments, traded bonds and mutual funds that have quoted price. The fair value of all equity instruments which are traded in the stock exchanges is valued using the closing price as at the reporting period.

Level 2: The fair value of financial instruments that are not traded in an active market is determined using valuation techniques which maximise the use of observable market data and rely as little as possible on entity-specific estimates. If all significant inputs required to fair value an instrument are observable, the instrument is included in level 2.

Level 3: If one or more of the significant inputs is not based on observable market data, the instrument is included in level 3. This is the case for unlisted equity securities.

There are no transfers between level 1 and level 2 during the year.

(b) Valuation technique used to determine fair value

Specific valuation techniques used to value financial instruments include:

- the use of quoted market prices or dealer quotes for similar instruments
- the fair value of forward foreign exchange contracts is determined using forward exchange rates at the balance sheet date
- the fair value of the remaining financial instruments is determined using discounted cash flow analysis.

All of the resulting fair value estimates are included in level 2 or level 3, where the fair values have been determined based on present values and the discount rates used were adjusted for counterparty or own credit risk."

(c) Fair value estimation

Estimated fair value disclosures of financial instruments are made in accordance with the requirements of Ind AS 107 "Financial Instruments: Disclosure". Fair value is defined as the amount at which the instrument could be exchanged in a current transaction between knowledgeable willing parties in an arm's length transaction, other than in forced or liquidation sale. As no readily available market exists for a large part of the Company's financial instruments, judgment is necessary in arriving at fair value, based on current economic conditions and specific risks attributable to the instrument. The estimates presented herein are not necessarily indicative of the amounts the Company could realize in a market exchange from the sale of its full holdings of a particular instrument.

The following summarizes the major methods and assumptions used in estimating the fair values of financial instruments.

Jindal Poly Investment And Finance Company Limited

Trade and other receivables / payables

Receivables / payables typically have a remaining life of less than one year and receivables are adjusted for impairment losses. Therefore, the carrying amounts for these assets and liabilities are deemed to approximate their fair values, as the allowance for estimated irrecoverable amounts is considered a reasonable estimate of the discount required to reflect the impact of credit risk.

Other long term receivables

These receivables are regularly reviewed and adjusted for impairment losses. Therefore, management considers the carrying amount of these receivables to approximate fair value.

(d) Valuation process

The accounts and Finance Department of the company includes a team that performed the valuations of financial assets and liabilities required for financial reporting purpose including lavasi fare values this team reports directly to the chief financial officer (CFO) and the audit committee (AC).

Discussions of valuation processes and results are held between the CFO, AC and the valuation team at least once every three months, in line with the Company's quarterly reporting.

The main level 3 inputs of the unlisted equity securities, contingent considerations and indemnification assets used by the Company are derived and evaluated as follows:

1. Discount rates are determined using a capital a surprising model to calculate a pre tax rate that reflects current market assessments of the time value of the money and risk specific to the assets.
2. Risk adjustments specific to the counterparties (including assumption about credit default rates) are derived from credit risk grading determined by the Company's internal credit risk management group.
3. Earnings growth factor for unlisted equity securities are estimated based on the market information for similar type of companies.

Changes in level 2 and three fair values are analyzed at the end of each reporting period during the quarterly valuation discussion between the CFO, AC and valuation team. As part of this discussion the team present a report that explains the reason for the fair value movements.

41 FINANCIAL RISK MANAGEMENT

(a) Risk management framework

The risk management policies of the Company are established to identify and analyse the risk faced by Company to set appropriate risk limit and controls to monitor risk and adherence to limits. Risk management policies and systems are reviewed regularly to reflect the changes in market conditions and the Company activities. The management has overall responsibility for the establishment and oversight of the Company risk management framework. In performing its operating, investing and financing activities, the Company is exposed to credit risk, liquidity risk and market risk.

(b) Credit risk

Credit risk is the risk of financial loss to the Company if a customer or counterparty to a financial instrument fails to meet its contractual obligations, and arises principally from the Company's receivables from customers and investments in financial instruments.

The carrying amount of financial assets represents the maximum credit exposure. The Company monitor credit risk very closely both in domestic and export market. The Management impact analysis shows credit risk and impact assessment as low.

Trade and other receivables

"Credit risk is the risk that a customer may default or not meet its obligations to the company on a timely basis, leading to financial losses by the Company. Credit evaluations are performed on all receivables requiring credit.

Jindal Poly Investment And Finance Company Limited

The Company reviews for any required allowance for impairment that represents its expected credit losses in respect of receivables. Investments are reviewed for any fair valuation loss on periodically basis and necessary provision/fair valuation adjustments has been made based on the valuation carried by the management to the extent available sources, the management does not expect any investment counterparty to fail to meet its obligations.

(c) Liquidity Risk

Liquidity risk is the risk that the Company will encounter difficulty in meeting the obligations associated with its financial liabilities that are settled by delivering cash or another financial asset. The Company's approach to managing liquidity is to ensure, as far as possible, that it will have sufficient liquidity to meet its liabilities when they are fallen due. The Company's liquidity position is carefully monitored and managed. The Company has in place a detailed budgeting and cash forecasting process to help ensure that it has adequate cash available to meet its payment obligations.

The following table provides details of the remaining contractual maturity of the Company's financial Liabilities. It has been drawn up based on the undiscounted cash flows and the earliest date on which the Company can be required to pay. The table includes only principal cash flows.

(d) Market risk

Market risk is the risk that the fair value or future cash flows of a financial instrument will fluctuate because of changes in market prices. Market prices mainly comprise three types of risk: currency rate risk, interest rate risk and other price risks. Foreign currency risk is the risk that the fair value or future cash flows of a financial instrument will fluctuate because of changes in foreign exchange rates. Interest rate risk is the risk that the fair value or future cash flows of a financial instrument will fluctuate because of changes in market interest rates. This is based on the financial assets and financial liabilities held as at March 31, 2024 and March 31, 2023. The objective of market risk management is to manage and control market risk exposures within acceptable parameters, while optimizing the return. However, the Company has no such items regarding currency risk or interest rate risk.
